Bill Comparison – May 2025

As a GAGE customer on a Forward Rate Plan, unless there are regulatory changes affecting your plan, your supply rate will consist of a fixed rate for a specified number of monthly billing cycles, plus 2 months of variable rate at the end of the fixed period. Past performance is not an indicator of future pricing and/or savings.

ELECTRICITY

Utility	Utility Price to Compare (PTC)	GAGE Energy Rate	Supply	Term (Bill Cycles)	Utility 250 kWh	GAGE Energy 250 kWh	Utility 500 kWh	GAGE Energy 500 kWh	Utility 1,000 kWh	GAGE Energy 1,000 kWh	Utility 2,000 kWh	GAGE Energy 2,000 kWh
